OUR HOLIDAY HIGHLIGHTS

Our legal team loves the holiday season and all the opportunities it brings to help and interact with our local communities. Check out some of our favorite moments thus far, as well as some other news updates!

HALLOWEEN FUN!

Stephanie and Anthony enjoyed handing out candy at the Bottineau Chamber of Commerce's trunk or treat. They loved seeing the fun costumes and smiles out and about!

Wills AND Wine

We hosted our free Wills & Wine event at 10 North Main Smokehouse Bar & Grill on November 9th! We were so delighted to see so many new faces and share how estate planning can make such a difference for so many people and families over delicious food & drinks!

ON AIR @ STUDIO 701

Brian and Cooper went on air at Studio 701 to show respect to our veterans. This doubled as a special opportunity as Brian and attorney Anthony are both veterans. We will always show thanks and honor our veterans and those who serve our country. A big thank you to them all!

Congratulations, Brayda!

Our office manager, Brayda Weber, and her husband welcomed their sweet baby Cove. We think he's perfect and love seeing the joy he's already bringing!

WELCOME,
COVE

Congratulations, Aimee!

Our paralegal, Aimee Ducherer Williamson and her husband welcomed their precious baby Isla. She's absolutely adorable and such a wonderful little one!

WELCOME,
ISLA

JOB OPENING

We are looking for a new Legal Administrative Assistant who gets excited about greeting clients, answering phones, organization, maintaining files, and other office tasks; and enjoys dressing in professional attire. This person should thrive in situations where communication is key and flows easily. They must lead with a positive, upbeat personality that instantly warms anyone on the receiving end of the conversation and brings out the brightest of smiles with their tone of voice.
